

# May 27: Righteous John the Russian

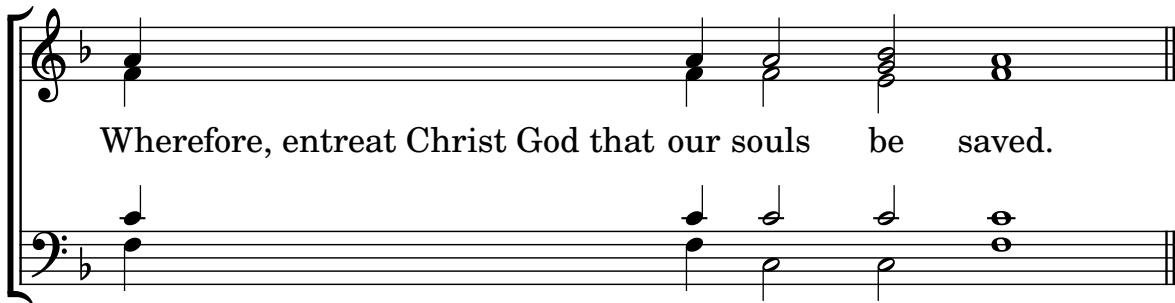

## Troparion

Tone 4

The Lord Who summoned thee forth from thine earthly cap-ti - vi - ty,  
to the mansions of hea - ven, preserveth thy body intact  
and imparteth to it the a-bil - i - ty to heal, O right - eous John;  
for thou who wast captured in Russia and sold in A - - sia  
didst live piously among the Muslim infidels in great en - dur - ance

and having sown here in tears, thou reapest there in in-eff - a - ble joy.

Wherefore, entreat Christ God that our souls be saved.
